

Chapter One

Empty and void....
everything overflowing!
Lonely AND surrounded.
a Thousand thoughts awake
and cut like paper...
Words rise like bats,
from deep, dark caves.
Breathing's shallow,
like all wounded dreams.
Hold on, hold fast!
Truth will release and sweep,
over the land of lies...
like a scary tornado !
It'll set you free...
from crooked shelters
and from comfort zones!
You'll be naked....
and hungry....
and NEW !!
...chapter two..
